

# GLUE GUN PERMIT

This permit certifies that \_\_\_\_\_ has taken her Glue Gun Training and has proven that she can independently use a glue gun properly and safely, **with the supervision of an adult.**

This training includes:

- How to plug in and place the glue gun so it safely stands on the table
- How to safely handle and manipulate the glue gun for various projects
- How to reload the glue gun when needed and deal with glue strings on projects
- How to deal with minor burns that may occur when using this tool

I, \_\_\_\_\_, understand that this permit allows me to use a glue gun during various craft projects at Guides. I understand that if I do not follow the rules about glue guns that I learned during my training that my permit and/or glue gun privileges may be revoked.
