Phoenix Feather – Can perform the widest range of spells, but is hard to win its loyalty; takes time to bond with owner

Phoenix Feather – Can perform the widest range of spells, but is hard to win its loyalty; takes time to bond with owner

Unicorn Tail Hair – Consistent magic, bonds strongly to first user, difficult to turn to the dark side

Unicorn Tail Hair – Consistent magic, bonds strongly to first user, difficult to turn to the dark side

Unicorn Tail Hair – Consistent magic, bonds strongly to first user, difficult to turn to the dark side

Unicorn Tail Hair – Consistent magic, bonds strongly to first user, difficult to turn to the dark side

Thunderbird Tail Feather – Powerful, but difficult to master, particularly prized by Transfigurers. Can sense danger and cast curses on their own.

Thunderbird Tail Feather – Powerful, but difficult to master, particularly prized by Transfigurers. Can sense danger and cast curses on their own.

White River Monster Spine – Produces spells of force and elegance; especially good at water spells

Rougarou Hair – Rumoured to have an affinity for Dark magic, although suitable for use by non-Dark wizards and witches as well

Rougarou Hair – Rumoured to have an affinity for Dark magic, although suitable for use by non-Dark wizards and witches as well

Horned Serpent Horn – Exceptionally powerful and sensitive to Parseltongue. Can warn its owner of danger by emitting a low musical tone.

Veela Hair – Temperamental and hard to control, but powerful  
Rare as wands with this core only come from France

Dittany – The only wand core that is a plant; has amazing healing powers and can make powerful protective spells

Thestral Tail Hair – Extremely rare as a wandmaker needs to see death before working with Thestral Hair; makes the most powerful wands, capable of healing other wands and making the wielder invincible in duels

**Horned Serpent Horn** – Exceptionally powerful and sensitive to Parseltongue. Can warn its owner of danger by emitting a low musical tone.
